NCPIE Information Fair and Reception During PIRC Conference

NCPIE is hosting an Information Fair and Reception on January 17th and you are invited to attend. The Fair will take place at the Monarch Hotel (formerly ANA) in Washington, DC. in conjunction with the Parent Information Resource Center (PIRC) Annual Conference.

This year's Information Fair will be similar to the fair held last year and is an excellent opportunity for you to share information about your program goals, objectives, and current projects. Remember, the audience for this Information Fair is specifically the PIRC Centers, who will be in attendance from programs around the country.

Because space is limited everyone will have to share a table and large displays cannot be accommodated. Additional details about the Information Fair and how you might participate are included at the end of this article.

Please attend the Information Fair and Reception!

It's a great chance to get to know the PIRCs!
